Bidder/Buyer Pre-Registration Form

Dear Buyers:

This year we will again offer a Pre-Registration Form for potential buyers. The intent behind the form is to speed up the process of registering you as a bidder on auction night. We are asking you to fill out the backside of this form and return it to the Livestock Advisory Council. By having this form on file before the sale, we will have your buyer's number and other information ready for you when you register. This will allow you to more quickly pick-up your buyers' packet on the night of the sale and spend more time enjoying the social rather than standing in line.

Thank you for using the pre-registration form. Please return the completed form to the Rockbridge Livestock Advisory Council at PO Box 537, Lexington, Virginia 24450 or respond by fax at 540.464.3362 by July 15th. We appreciate you taking the time to fill out the form and returning it to us. Please contact Alan Berry at 540.570.5123 for assistance with completing the form.

Sincerely,

Alan Berry
