4-H/FFA Auction- A great place to buy locally grown products

The 4-H/FFA Livestock Auction is held annually to provide a special auction for 4-H and FFA exhibitors to sell their market animal projects. Exhibitors who sell livestock use the proceeds to reinvest in future 4-H/FFA projects, or they may set their earnings aside for an educational and/or business expense.

As a buyer, you are investing in these exhibitors' futures by encouraging them to stay involved in agriculture. The 4-H and FFA members are involved in various educational, community service projects, and entertainment activities throughout the year.
